

Mass Media in A Changing World with PowerWeb 2007 Updated

This engaging new text introduces students to the world of media through a unique structure that makes the material easily intelligible and meaningful to their lives. Each chapter is divided into three-part narrative sections: history, industry, and controversy. Mass Media in a Changing World is the story of where the media came from, why they do what they do, and why those actions cause controversies. Each new copy of the text is packaged with a free Media World DVD as well free access to PowerWeb--a unique collection of course-specific current articles, real-time news, interactive exercises and assessment tools, research links, and more!
