

Stolen Treasure

Stolen Treasure is a book almost 70 years in the writing! This collection of observations, quotes, proverbs, witticisms and rules for living have guided the author since his youth growing up in India, through his time in the Indian Navy, and for the bulk of his life since moving to Ireland in 1960. Now in his mid-80s, the author presents a lifetime of humour and words of wisdom for a happy life in this book. Before the internet and social media, these were the original status updates. An intriguing read for every person of all ages and all interests.
