

Once Upon an Expat

Whether you've made the leap abroad yourself, or you're simply curious about what it's like to set up life in a foreign country, *Once Upon An Expat* will not disappoint. With brave tales of life outside the comfort zone, the contributing authors will have you craving adventure as they share stories from their not-so-ordinary lives around the world. These stories will transport you to the streets of Libya, boulangeries in France, a hospital in Kazakhstan, and a strange situation in a Saudi Arabian security office. Through the pages of this book, laugh your way through crazy family adventures in a tropical jungle and share in the sorrow of grieving from afar. Discover how to get a perfect Brazilian body, go falconing in the Middle East, and take away insight on being raised abroad from a Dutch doctor born in an African bush camp. Join us on this journey and along the way meet a tribe of global souls who together make up this heartwarming and at times hilarious anthology.
