

Northern California Off the Beaten Path®, 8th: A Guide to Unique Places (Off the Beaten Path Series)

Product Description Northern California offers places to visit away from tourist areas, including the Whiskey Flat Saloon (established in 1862) in Volcano; Vikingsholm, a Scandinavian style mansion near Lake Tahoe; and Niles, the movie-making capital of California before Hollywood was on the map. From the Back Cover Tired of the same old tourist traps? Whether you're a visitor or a local looking for something different, let Northern California Off the Beaten Path show you the Golden State you never knew existed. Follow the bloodstained trail of Sam Spade and other characters from *The Maltese Falcon* in San Francisco; overnight at a bed-and-breakfast located inside a working lighthouse on East Brother Island; or eat at a restaurant in Castroville that specializes in artichokes cooked two dozen different ways. So if you've been there, done that one too many times, get off the main road and venture Off the Beaten Path.
