

A Peoples History of the United States

Superwriter and Supermodel Lin Xun (thats Lin as the covergirl) is the author of this full frontal exposure of the USA. Find out what is taught in the schools of other countries that the USA doesnt teach in its schools. Xun teaches the USAs history to students in China (and other countries), including facts hidden in the USAs classrooms such as: (1) that the Pledge of Allegiance to the Flag was the origin of the Nazi salute and Nazi behavior; (2) Swastikas represented crossed S letter shapes for socialist under Hitler (two of the many astounding discoveries by Sociologist Dr. Rex Curry). Xun reveals all on flag bikinis, flag fetishism, flag propaganda, and more. Each book is personally handled, wrapped, and posted by Lin Xun (in the nude). Or by CreateSpace, depending on whos available.

What do other countries think about the USAs Pledge of Allegiance today? Xun tells all as she joins forces with the Dead Writers Club in this eye-popping page-turner. Learn how the USA and its pledge inspired police states globally. Will America escape the madness? Will you? Save yourself from the cult of the omnipotent state! The book A Peoples History of the United States introduces readers to Anarchaeology, Misanthropology, and the Socialist Crusades, the Latest Socialist Dark Age, and the Modern Socialist Inquisitions, which resulted in the Wholecaust (of which the Holocaust was a part). Adolf Hitler, Joseph Stalin, Mao Zedong and other socialists are exposed along with the influence of socialists in the United States upon those dictators. As part of the Dead Writers Club (DWC), Lin Xun has collaborated with the authors Micky Barnetti and Matt Crypto. Another volume by the Dead Writers Club is the self-titled Dead Writers Club and Drug Detection Dog Training -Libertarian Lawyers Fight Police State USA. The

DWC collaborated on the groundbreaking book Pledge of Allegiance & Swastika Secrets. It is a semi-biographical work about the nations leading authority on the Pledge of Allegiance and his many discoveries about its bizarre past and present. The DWC also assisted with a classic science fiction tale revealing an amazing discovery about time travel.
