

The TLU Reader 2013-2014 ed.

This book was written to help TLU students enter into a community of learning that includes many generations of Texas Lutheran graduates, faculty, staff, and friends. Through chapters written by TLU staff members and faculty from diverse disciplines, the readers are introduced to the foundational motivations, commitments, habits, goals, and vision that arise out of our educational mission. The TLU Reader shows what it means to be educated people on a journey of lifelong learning.
