

## Alaska: The Cruise-Lovers Guide

Alaska: The Cruise-Lovers Guide brims with updated facts and tips to help travelers to Alaskas Southeast get the most out of their cruise through the Inside Passage and beyond. In a single, handy illustrated guide, readers will find a brief history of the 49th state; information on the best places to observe glaciers, whales, dolphins, caribou, wolves, and more; and descriptions of the arts, crafts, and culture of Alaskas Native communities. The heart of the book is an updated guide to ports of call and to the newest, most intriguing shore excursions. You can explore the dramatic wilderness of Denali National Park and Preserve or the Kenai Peninsula; enjoy the urban delights of Anchorage, Juneau, Vancouver, and Victoria; and experience the historical charms of Ketchikan, Skagway, and Kotzebue, 26 miles above the Arctic Circle. Information on the many sporting adventures available in Alaska, advice on souvenir shopping, and a cruise diary are added features.
