

## Pass the New Citizenship Test Quick Civics Lessons

This book is easy to read and contains all 100 Civics Lessons prepared by USCIS (United States Citizenship and Information Services) plus memory aids and practice exercises to help you learn the questions and answers - and pass the New Citizenship Test. In addition to the civics lessons, all the 100 questions are presented in three different formats: 1. First, the 100 Questions and Answers are presented without additional material - best for memorization drills. 2. The questions and answers are then presented in a Logical, Historical Order (similar to reading a very brief history of the U.S.). This presentation helps you see connections among the questions and answers and thereby make it easier for you to remember them. 3. All the questions and answers are then presented in a flash card method - question on one page and answer on the next page - an easy way to reinforce learning. This book also contains fast and easy Practice Exercises and Quick Study Aids (Fill-in questions and True/False drills) to help spark your memory, maximize your learning and increase your confidence. Included also are the complete Reading and Writing words you need to know and web addresses where you may obtain information on becoming an American citizen, including requirements for filing, testing and scoring guidelines.
