

Japan (Insight Guides)

This new edition Insight Guide to Japan features illuminating text written by expert, local writers alongside inspiring full-colour photography, including over 250 brand new photographs that will bring Japan's people and places to life, at the turn of a page. The top attractions are highlighted to help you plan your trip priorities and a brand new Best of section features recommendations on many exclusive experiences. An in-depth Places section covers the entire country, region by region, with all the principal sites cross-referenced by number to accompanying full-colour maps throughout the guide. Additional maps inside the front and back covers enable instant orientation and easy navigation at a glance. Attractive colour-coded sections contain fascinating features that explore Japan's history and culture. A comprehensive Travel Tips section provides essential practical information, covering transport, visas and passports, accommodation for all budgets, climate, the arts, shopping, language and much more, along with useful contact telephone numbers to help you book activities in advance. The unique combination of insightful exploration alongside practical advice means that this guide truly is a pleasure to read before, during and after your visit.
