

## A Small Price to Pay: Refugees from Hitler in New Zealand 1936-46

For European refugees arriving in the 1930s, New Zealand was in many ways a haven. It wasn't all easy: they came from a continent rich in culture and history to a small isolated country with little social diversity. The immigrants found prejudice and suspicion as well as a place they could one day call their own. But the difficulties were a small price to pay for freedom and survival. *A Small Price to Pay* tells the story of the refugees' flight to New Zealand, and what they found here. Based on interviews with thirty-two former refugees, this book is the first to document in detail their experiences.
