

Building on Student Diversity: Profiles and Activities

This book works to give teachers a tool for understanding how to examine their teaching methods and refine those methods to maximize student learning...Galton is a well known researcher...and he has valuable insights into tailoring teaching methods in ways to meet specific learning goals. This book is recommended for all elementary teachers looking for ways to maximize learning in their classroom. EDUCATION LIBRARYESThis unique text captures the profiles and cumulative records of six diverse students at early childhood, middle childhood, and then high school level. Intended for the preservice teacher, *Building on Student Diversity: Profiles and Activities* illustrates how to create a caring school environment; accommodate for special learning needs in instructional and assessments; and interact with families and communities.
