

Readers Theater: Science and Social Studies: Reproducible Grade 7

Now teachers can use the same book to build comprehension and fluency for students at different levels. Readers Theater: Science and Social Studies features plays that include character roles at several reading levels. The plays focus on nonfiction topics in science, social studies, and health, so students receive the added benefit of developing better comprehension in the content areas. Enabling mixed-level groups to interact boosts students confidence and provides a way for students to support each other in their learning. Each play includes:- Four to six character roles at several different reading levels- Pre-reading instruction that includes strategies for vocabulary, fluency, and comprehension- An entertaining link to a science or social studies topic- Comprehension, vocabulary, and extension activities

Readers Theater: Science and Social Studies features an easy-to-follow format and can be tailored to meet the needs of all readers from well below level to above level so all your students achieve success!
