

## A Chronology Of The Life of Arthur Conan Doyle

A comprehensive chronology of the life of Sir Arthur Conan Doyle. The first section contains a detailed chronology of the major and minor events in the life of Sir Arthur and his family from 1794 to 1930. This is followed by a section on events from 1930 to 1993, the residences of Conan Doyle and his family, where are they buried, locations of plaques and statues, a list of biographies and semi-biographical works, a bibliography, a selective list of miscellaneous writings, works consulted and about the chronologist. Finally, there are a number of well-reproduced photographs of ACD and his family at various times of his life, some have not appeared in print before. This publication proves that there is more to Arthur Conan Doyle than just Sherlock Holmes.
