

Illuminati 2 - Deceit and Seduction

A depraved satanic cult called the Illuminati is waging a covert war against humanity. This is the key to understanding mankind's tragic history and current predicament. For more than a thousand years, Cabalist money lenders have conspired to usurp power from church and aristocracy according to a plan detailed in The Protocols of the Elders of Zion. The plan does not represent Jews but only a small cabal of bankers who organized in Masonic secret societies. They intermarried with prominent Gentiles and formed a vast occult and criminal underground. They are stealthily constructing a totalitarian world government behind the facade of democracy. Taking God's place, secularism is a transition step to their Satanism. They involve nations in needless wars and enthrall the masses with porn, violence, trivia and toys. They attack our sources of identity and love -- God (religion); family (gender); country and race -- in order to stymie and dehumanize us. Sounds incredible, but after reading some of these 90 short essays, you'll nod in agreement. Their empire is partly based on controlling your mind. If you know the truth, they can't.
