

Body Language Basics: In the Workplace (Global Workplace Skills Library)

Can you tell if someone is telling the truth just by looking at them? It is a skill that a lot of people do not have. Through Body Language Basics you will be given a set of tools to use to your advantage. These tools can be utilized in the office and at home. Understanding Body Language will provide you a great advantage in your daily communications. Body Language Basics will provide you with a great set of skills to understand that what is not said is just as important than what is said. It will also give you the ability to see and understand how your own Body Language is being seen. You will be able to adjust and improve the way you communicate through non-verbal communications.
