

Deconstructing Sammy: Music, Money, and Madness

Equal parts cultural history, celebrity biography, and brilliant investigative journalism, *Deconstructing Sammy* by Matt Birkbeck is an behind-the-scenes look at the disastrous fall of one of the brightest stars of Hollywood and Las Vegas: Sammy Davis, Jr. A member of the infamous Rat Pack, a compatriot of Frank Sinatra and Dean Martin, and one of the most popular performers of his day, Sammy Davis, Jr. was an entertainment icon and a national treasure who earned more than \$50 million over the course of his career yet ended up nearly destitute. *Deconstructing Sammy* tells the whole sad, sordid, fascinating true story.
