

My shirt has a tongue

Both my son and nephew learned to put on their shirt the right way by the time they were 4 years old. I made up this story to teach them figure out the right way to put on their shirt. Now, whenever they are ready to put on their shirt they look for the shirts tongue. By sharing this story with you and your child, I want your child to confidently learn to put on their shirt, the right way, the first time around.
