

History of English Literature, Vol. 1 (Classic Reprint)

This edition of Taine's History of English literature has been carefully revised and compared with the original. All the quotations have been collated and verified anew, and no trouble has been spared to make it as accurate as possible. For the favourable reception this translation has met with from the press and the public, I feel much indebted. H. viv LATIN. TbB AOADBICT KonrBUBOH.
