

The Family Memoirs of the Rev. William Stukeley, M.D, Vol. 3: And the Antiquarian and Other Correspondence of William Stukeley, Roger Samuel Gale, Etc (Classic Reprint)

Excerpt from The Family Memoirs of the Rev. William Stukeley, M.D, Vol. 3: And the Antiquarian and Other Correspondence of William Stukeley, Roger Samuel Gale, Etc

One assailant, the Rev. W. Cole, Vicar of Burnham, amply apologized, but it was too late, for by this time Stukeley was in his grave. In a short account of such antiquaries as have been educated in Corpus Christi Coll., Camb., Cole wrote thus: In a tract expressly founded on the labours of Dr. Stukeley, it would be absurd to pass him by without a particular compliment, so justly due to him for his singular merits and talents as a scholar and antiquary. I have another reason to place him high in this list, was it only to apologize for my impotent, feeble, and ungenerous attack upon him, when he could say nothing for himself, in some silly strictures upon his explanation of the Ely tablet in Mr. Benthams history of that church. Indeed I made an excuse in another article in that book for having dared to attack a character so respectable and eminent as is Dr. Stukeleys; and I shall ever look upon myself in a worse light for that piece of petulance, which I am ashamed of.
