

Thacher School, The (Campus History)

Sherman Day Thacher, a Yale-trained lawyer, moved west in 1887, intending to join his brother as an orange rancher in California's Ojai Valley. However, after accepting a request from a Yale colleague to tutor his nephew, Thacher's focus changed from cultivating oranges to cultivating young minds. His small educational enterprise eventually became The Thacher School. Combining unmatched academics with a unique horse and camping program, Thacher has prepared more than 5,000 young men and women to become contributing members of society at the local, state, and national levels since its founding in 1889. With an educational philosophy based around Sherman Thacher's precepts of honor, fairness, kindness, and truth, The Thacher School continues to be recognized as one of the premier secondary schools in the country.
