

Bepe and Friends Build a Bridge: ????????? (Bepe, Happy Worm & Friends Book 2)

A reworking of the Billy Goats Gruff tale in a fictional rural mountainous area of China. The story emphasises the importance of helping each other to achieve a goal. The authors are the proud parents of two babies who are half English and half Chinese. They are also both experienced language teachers who feel it is important to teach their children literacy skills in both languages. Our aim to create bilingual English-Chinese childrens books in which the two languages complement each other rather than simply serving up a translation. In this way, the child is encouraged to learn both languages in order to fully appreciate the story.
