

Going Further: One Schools Journey Through Curriculum Development

GOING FURTHER - One schools journey through curriculum development. This book is essential reading for all those involved in curriculum development in their schools. The book and accompanying CD describes the process one school went through to develop a personalised curriculum which meets the demands of 21st Century learners and has been proved to have a dramatic effect on standards. The process incorporates issues relating to leadership, school improvement, governance and parental engagement. Alongside this process, a CD gives example plans, formats and templates which will give schools a starting point for developing their own unique curriculum.
