

Growing Into Equity: Professional Learning and Personalization in High-Achieving Schools

High-Achieving Students and Teachers Winning Strategies from Title I Schools! This illuminating book shows how four outstanding Title I schools make the goal of personalized learning a reality for every student and every teacher. The common thread is commitment to equity—the belief that every child can achieve. Readers will find:

- Guidance on identifying obstacles to equity within your school and building a case for personalized learning
- Case studies showing the lived values, practices, and leadership that have helped schools transform learning
- How-tos and templates for creating a team-based professional development program that helps teachers individualize instruction
