

Secondary vocational education model professional planning materials (the Electromechanical Technology Application): hydraulic and pneumatic technology(Chinese Edition)

Paperback. Pub Date: 2008 08 Pages: 179
Language: Chinese in Publisher: Machinery Industry Press. secondary vocational education demonstration the professional planners materials (Electromechanical Technology Application): hydraulic and pneumatic technology professional planning textbook demonstration of secondary vocational education. The book is divided into the basics of hydraulic and pneumatic transmission. hydraulics components. hydraulic actuators. hydraulic auxiliary components. hydraulic components and hydraulic circuit. gas supply and pneumatic auxiliary components. pneumatic actuators. pneumatic control valves and pneumatic circuit typical hydraulic and pneumatic drive 9 unit. Secondary vocational education demonstration the professional planners materials (Electromechanical Technology Application): hydraulic and pneumatic technology to implement the principle of a...
