

Change Leadership: A Practical Guide to Transforming Our Schools

The Change Leadership Group at the Harvard School of Education has, through its work with educators, developed a thoughtful approach to the transformation of schools in the face of increasing demands for accountability. This book brings the work of the Change Leadership Group to a broader audience, providing a framework to analyze the work of school change and exercises that guide educators through the development of their practice as agents of change. It exemplifies a new and powerful approach to leadership in schools.
