

# 1st Choice Homeschool Sixth Grade Digital Text Package - Student Edition: Homeschool Curriculum (1st Choice Homeschool Digital)

1st Choice Homeschool Sixth Grade Digital Text Package - Student Edition: This bundle provides 4 Teacher ETexts in Sixth Grade Language Arts, Sixth Grade Math, Sixth Grade Science and Sixth Grade Social Studies. Sixth Grade Language Arts - Teachers Edition: This text introduces Sixth grade students to the essentials of Language Arts literature, grammar, language, creative and expository writing and their applications for developing more sophisticated reading, writing, and communications skills that are useful in all aspects of the students life. Dedicated to sustaining the students interest in learning, this text allows the student to express his or her opinions daily. This will be accomplished when you begin each Lesson by asking the student the Engaging Question(s) and allowing time for the student to provide a written response. 180 Lessons. In Flight with Sixth Grade Math - Teachers Edition: Consistent in its sequencing and presentation, the new or review material in each Lesson is introduced, explained, clarified, then illustrated through examples provided. Practice problems are then assigned for the student to complete independently. After reviewing the problems and answers with the student, a Worksheet or Lesson Wrap-Up activity is assigned. This format ensures comprehensive coverage of daily material, but also accommodates the need and or desire to condense, supplement, or combine Lessons and Lesson content. 180 Lessons. In Flight with Sixth Grade Science - Teachers Edition: Through inquiry, practice and application, Voyages in Sixth Grade Science provide the student with a strong foundation in Earth, Life and Physical Science. 180 Lessons. In Flight with Sixth Grade Social Studies - Teachers Edition: In Flight with Sixth Grade Social Studies thoroughly explores the geography and history of the Western Hemisphere.

Besides thorough exploration of the Western Hemisphere, students study maps, timelines, careers in Geography, population density and more! There are 154 Lessons in the e-Textbook.
