

Gewalt sei ferne den Dingen! (German Edition)

Comenius (1592 - 1670) war ein großer Europaer, ein kreativer Metaphysiker und überzeugter, aber nicht indoktrinierender Theologe, ein Pädagoge, der zugleich ein begnadeter Praktiker war, ein Politiktheoretiker, ein Literat und Linguist auf hohem Niveau. Der Wunsch, Gewalt von den Dingen fernzuhalten, stammt von ihm. Er wird verständlich, wenn man sich klar macht, dass Comenius pansophisch (allumfassend) gedacht hat: Die Gewalt gegen die Dinge spiegelt die Gewalt gegen die Menschen, und beides muss aufhören. Die vorliegende Publikation zeigt eine fremde Welt, die doch in unserer Zeit angesichts der Globalisierung aller Lebensbereiche wieder von großer Aktualität ist. Comenius fostered pansophic, all-encompassing thinking in philosophy, theology, history, politics and education. That is why today, in an age of increased globalisation, his works are the subject of renewed interest. Twenty-nine authors from eight countries, dedicated to this task, develop the picture of a great European thinker.
