

The Galah and the big Duck Egg: A childrens story

My first booklet tells the true story of a lady Galah and her husband. They found a Duck egg and tried to adopt it. Read more about this adventure or simply look at the gorgeous pictures. 21 pictures on 22 pages tell a cute story. Parents can read the simple text or invent their own version of what happened. Children will love the Galah and wonder what it is doing. Galahs are a Australian birds. The male has dark brown eyes, the female beautifully red ones. A story that brings out a few smiles.
