

# Kontaktlinguistik / Contact Linguistics / Linguistique De Contact (Handbuecher Zur Sprach- Und Kommunikationswissenschaft / Handbooks of Linguistics and Communication Science) (German Edition)

This handbook is intended for a wide readership ranging from researchers in contact linguistics to the general public interested in problems arising from the contact between two or more languages and speech communication. The first volume summarizes the approaches to current issues and methods of contact linguistics research from the multidisciplinary intersection between linguistics and anthropology, ethnography, geography, political science, psychology and sociology, based on language contact situations worldwide. The second volume presents country-by-country profiles of all major contact situations in Europe from the Atlantic the Urals, illustrated by up-to-date maps and arranged by language pairs. Contributions are presented in English, French and German.
