

Leave No Angry Child Behind: The ABCs of Anger Management for Grades K-12

Written by a school counselor and a former principal, this book is a user friendly collection of 160 alphabetized, anger management quick tips and strategies for teachers, administrators, counselors, resource officers, social workers, psychologists and parents. It assumes that anger related behavior is often unplanned and unintentional, related to delays in development and problems with skills of flexibility and the ability to tolerate frustration. Angry students are at great risk for being left behind. This book focuses on proactive, rather than band aid solutions.
