

Maths Ages 7-9 (Math Ebooks: Children Aged 7-9)

Maths study workbook for young children has been developed to ensure the best possible support for children aged 7-9. Supports maths taught in schools for ages 7-9. Activities to be completed for each section. This book has been created to help your child revise and practice key skills and information learned in school. This book will help to prepare your child for SATS tests. How to use this book Talk about whats on each page with your child. Usually children will be able to do the activities fairly independently. Leave a page that seems too difficult and return to it later. Remember children learn at different rates. Your child can do the pages out of turn.
