

Divine Akbar and Holy India

Akbar the Great was the third Moghul emperor of India. During his reign, discussions about all religions flourished, and his edict of complete religious tolerance attracted scholars and theologians from different parts of the world. He granted permission to missionaries to build churches throughout India. His court scholars translated the holy book of the Hindus-Mahabharata-from Sanskrit to Persian, as well as many other texts. He was the only Muslim emperor in the history of the world who cherished the pearls of wisdom preserved inside the pages of Gita, the Torah, the Bible, and the Quran. Akbars patronage extended to both poets and scholars, who received special honors and titles and had their books compiled and illumined. He encouraged scholars to write the history of the world, offering them generous grants from the royal treasury. He was a spiritual playwright on the stage of Mother India, enchanting the audience not with words, but with powerful actions. The streets of India were his theatre. Akbar strived to scatter jewels of wisdom upon actors and actresses who rehearsed in his court to nurture the art of unity in multiplicity. Divine Akbar and Holy India explores Akbars fascinating life and reign, skillfully blending historical fact with fiction.
