

Times 4 - The Ocean (Educational Nursery Rhymes)

This e-book is part of a series of rhyming times tables that is themed around topics that children find interesting. What a great way to learn mathematics and enjoy the process. In fact, since the themes interest children, they often don't even realize that they are learning the times tables during the process. Using beautiful colorful images, the books are also educational on the themes contained within. Hence these nursery rhymes are educational on two levels. The Times Table Series: Times 1 The Farm, Times 2 The Zoo, Times 3 Dinosaurs, Times 4 The Ocean, Times 5 Generic Pattern, Times 6 The City, Times 7 Outer Space, Times 8 The Jungle, Times 9 School, Times 10 A Birthday Party. Whether you are giving younger children a head start, looking for an age appropriate book for early school children or helping older children catch up, this series of nursery rhymes is suitable for children aged 2 to 8 years old.
