

## Scottish Folk-Lore: Or Reminiscences of Aberdeenshire, from Pinafore to Gown (Classic Reprint)

By these mysterious ties, the busy power  
Of memory her ideal train preserves Entire;  
or when they would elude her watch,  
Reclaims their fleeting footsteps from the  
waste Of dark oblivion. AKENSIDE. THE  
late Dean Ramsay of Edinburgh, in the  
preface to his Reminiscences, says, It is  
interesting to preserve national peculiarities  
which are passing away from us. The  
remark is one that strikes with peculiar  
force every Scotchman, and as the years go  
by, and those who capped our best stories  
with some of their own, join the majority,  
the feeling deepens with us that the  
opportunities of preserving such  
peculiarities are indeed very materially  
lessening. Not much more than a decade of  
years has passed since I was invited to  
meet, at the house of an intimate friend,  
two or three acquaintances, formerly  
residents of Quebec, but whose lines had  
now fallen to them in other  
places. (Typographical errors above are due
