

Social Work: An Empowering Profession, 7th Edition (Connecting Core Competencies)

With its strengths and empowerment approach, *Social Work: An Empowering Profession, 7/e* explores contemporary themes such as diversity and social justice and integrates the Council on Social Work Education's core competencies throughout.

Each chapter reflects and integrates the core competencies in the 2008 Educational Policy and Accreditation Standards (EPAS) set by the Council on Social Work Education (CSWE). End-of-chapter assessment reinforces this integration, and MySocialWorkLab.com activities support the mastery of CSWE's core competencies.
