

Math Lessons for the SMART Board: Grades 4-6: Motivating, Interactive Lessons That Teach Key Math Skills

Research shows that learning is more motivating and fun on an interactive whiteboard. But teachers have very little time to create lessons for the SMART Board. These ready-to-use lessons offer the perfect solution! Sure to engage students, the timesaving activities included in the book and CD teach multiplication and division, fractions and decimals, geometry, data analysis, graphing, and so much more. A great way to reach all learners and meet the standards! For use with Grades 4-6.
