COUNTING FARM ANIMALS A picture book that teaches numbers 1 to 10 in three languages (English, Spanish and Chinese). Large, real images of farm animals are used. The farm animal is also named in all three languages. Each number is shown in numeral and word. This book begins with counting in English, then Spanish and Chinese. The images of the farm animals are repeated whilst children learn to count and recognize the spelled out number as well as the name of the farm animals in three languages. For example, why not dress up like a farmer and count the farm animals that you can find in the house! Be it animal from plastic model, play dough or animal found from old magazine, photos, etc. BONUS Simple addition facts which are visually presented are also included.
