

## Faith, Hope And Clarity

Danniella Westbrook's colourful life has played out in the UK tabloids for almost 25 years, but, until now, she has never been so honest about her trials, tribulations and triumphs. Faith, Hope and Clarity sees Danniella deal with deep-rooted issues previously buried in her troubled past. The actress delves further back into the timeline of her first book *The Other Side Of Nowhere* to tackle the demons that have tainted, haunted and defined her. She talks frankly for the first time about the high and lows of the last decade, and her hopes and aspirations for the future. This new book pulls no punches and finally gives Danniella clarity to move on like never before.
