

100 Things Every Adult College Student Ought to Know

Finally, an adult self-orientation guidebook that explains college from their perspective. 100 THINGS EVERY ADULT COLLEGE STUDENT OUGHT TO KNOW helps adult students reduce the sometimes overwhelming, frustrating, and anxious feelings associated with the start of college while, at the same time, more effectively juggle the multiple responsibilities for family, friends, and work throughout the process. Dr. Carlette J. Hardin's informal survey with 100s of adults starting college has produced an interesting and invaluable reference that makes sense out of how to understand the organization of college and your place in it. What best describes 100 THINGS? It's a self-orientation to college book to help adults problem-solve the adjustment to college. It helps to better understand practices, customs, procedures, and definitions that often make the transition to attending classes awkward and unnerving. Why is it valuable? 100 THINGS is an easy-to-use and consumer-friendly reference adults will find useful on a weekly basis in solving problems common to starting college. It clarifies the WHAT, WHY, HOW, WHEN, and WHAT IFs adults need to understand to balance their complicated lives with a new time commitment for college. Why does it work? Ask ADULT STUDENTS! Dr. Hardin did. 100s of them. Their responses as consumers pinpointed what was most important in adjusting to college customs, practices, and behaviors in making the transition more successful. Their suggestions were developed into easy-to-read bullet-statements to one paragraph descriptions that open adult students' eyes to better navigating immediate problems to accomplish longer term educational and career goals. 100 Things is a valuable resource that gives directions and options to reinforce its success-oriented theme: Long term goals

can become reality when you have a clear vision of what you want from life. Why is it different? 100 THINGS puts the right kind of information into the hands of adults the best way possible so they can navigate their own course in college. It uses a short topical format with new and helpful information on practically each of its 225 pages. This format makes it convenient to quickly locate information for immediate action where and when problems occur. Included are need-to-know topics, written in an enjoyable way that encourage adult students to take responsibility for adjusting to college. Readers will become empowered in their adjustment and many will help others to adjust to their new time commitments as well. Adults learn from the experiences of other adult students about: -the difficulty of the first semester -coping strategies with professors, classmates, and family -networking and supportive services-managing big projects/study aids-opportunities for advancement-key been there advice, etc. With 100 THINGS as a firsthand reference, adult college students will become motivated to take responsibility for themselves in learning to adjust to college. Theyll feel better after learning what to expect and how others faced similar problems. Theyll learn, Its up to me and I can do it, including helping others adjust to the new time-commitments required of me during the process. What results from reading 100 THINGS? Adult students become better informed as consumers and feel more comfortable exploring solutions to problems they face knowing they are not alone. It will head adults in the right direction to gain answers to situations before they become problems. As a troubleshooting guide, it will help adults learn how to more effectively juggle responsibilities both on and off campus. In addition, most will learn the value of networking and when to both reach out for help and when to say no. Most will find 100 Things a resource they wont want to be without as they gain from Dr. Hardins life experience and anecdotes of other been

there adult students.
