

Stop in the Name of Love

Stop in the Name of Love provides educators and parents with illuminating insights and realistic techniques that address challenging behaviors. The contents promote dignity, self-respect, and an important acknowledgment of the adult/child hierarchy. The solution-oriented approaches strongly validate both relationships and methods. Stop in the Name of Love is much more than a how to book; it was written to inform and entertain the reader with timely anecdotes, real-life examples, clarifying vignettes and topical stories. Award winning author, Noel Love has called upon his extensive experiences counseling students, parents and families. In more than twenty-five years, he has trained faculties from more than 5,500 campuses; authored instructional manuals utilized throughout the nation, and published a significant number of articles in several nationally distributed peer-review magazines. Stop in the Name of Love delves into the topic of behavior interventions in a way that is enticingly poetic and down to earth.
