

Legend of the Ravens

Ravens have lived in the Tower of London for centuries. According to legend, if the ravens ever leave the Tower, it will crumble to dust and England will be faced with a terrible disaster. To avoid this fate, it is believed that sometime during the 1600s, King Charles II decreed that at least six ravens should be maintained at the Tower for all time. Set against this historical backdrop, *The Legend of the Ravens* is a beautifully illustrated book, which begins as Edward James explores the Tower of London and becomes friends with the ravens in the 17th century. When the ravens get into trouble and the king demands that they be removed from the Tower, Edward must step forward to help the ravens and protect England from the powerful curse. A must-read for young visitors to the Tower of London. Ages 7 - 9 years.
