

## The Benefits of Using the IWB in ELT to Young Learners

This book discusses one of the latest technical equipment, the Interactive Whiteboard, which is quickly entering schools and helping teachers with their work. The main aim of this work was to show the benefits of using the IWB in the English language classroom. The result of this detailed study is the ten flipcharts, which were created according to the course book Family and Friends 5 that can be very helpful for teachers who work with Interactive Whiteboards. It will also look at some advantages and disadvantages of using IWB, how easy or difficult it is to use, how it influences students learning, what effect it has on their motivation, what are the designing criteria for these materials and what actually is so fascinating about it.
