

# You Gotta BE the Book: Teaching Engaged and Reflective Reading with Adolescents, Second Edition (Language and Literacy Series (Teachers College Pr)) (Language & Literacy)

Over a decade ago, Jeffrey Wilhelm's groundbreaking book showed educators how to think of reading as a personally meaningful, pleasurable, and productive pursuit. In the 13 years since its publication, the author has experimented with and further developed all of the techniques he first explored in *You Gotta BE the Book*, including visual techniques, drama and action strategies, think-aloud protocols, and symbolic story representation/reading manipulatives. In this expanded edition, Wilhelm adds a new commentary to each chapter in which he reflects on the research and insights he introduced in his now classic text.
