

The Wild One: Johnny OKeefe

An elemental force present at the creation of Australian rock n roll, Johnny OKeefe converted incredible drive, a tremendous flair for showmanship and a larrikin spirit into status as his countrys first rock star. Tragically, Johnny was dead at 43, after thirty hit singles and twenty-eight albums, and a succession of (self-inflicted) disasters a near fatal car crash, a much publicised series of nervous breakdowns, bouts of alcoholism and drug addiction. His influence was immense; few in the world of popular music begrudged him the title the King of Australian Rock and Roll.
