

Hugh Jackman - The Biography

HUGH JACKMAN is a true Hollywood juggernaut. The magnetic Australian has joined countrymen Mel Gibson and Russell Crowe as an international superstar and is loved by fans worldwide for his varied career in film and theatre. When a young Jackman turned down a role in Neighbours to study at Perth's prestigious WAAPA, his gamble would pay off handsomely. After a string of successful musicals, Jackman's Hollywood break came after being cast as Wolverine in 2000, catapulting him to heavyweight stardom. He has since reprised the role in box office hits The Last Stand, Origins and The Wolverine. Premium offers including 2006 animation Happy Feet, Baz Luhrmann's epic Australia and even a rumoured shortlist spot for James Bond soon followed. With a 2013 Academy Award nomination for his tour de force performance as Jean Valjean in the epic Les Misérables, and a star turn as Wolverine in X-Men: Days of Future Past on the horizon, Hugh is set to dominate the silver screen for the foreseeable future. Acclaimed actor, Sexiest Man Alive winner, all-action hero and devoted family man, Hugh Jackman has it all, and his stock just keeps on rising. In this fantastic biography, Anthony Bunko traces the amazing story of a true showbiz star and modern-day matinee idol.
