

Adult Learners With Special Needs: Strategies and Resources for Postsecondary Education and Workplace Training (Professional Practices in Adult Education and Human Resource Development Series)

Designed as an overview of the range of adult special learning needs, this book discusses the related tools and strategies that can help these adults to learn. It identifies resources to help the practitioner understand and deal effectively with these needs. It is intended as a guide for all who may encounter a number of special needs in the course of providing education, training and related support services.
