

Readers Adviser : Vol.1 The Best Reference Works, British Literature & American Literature

Heartily recommended Since not even a reference librarian par excellence can come close to knowing the best in any given discipline, no library should be without access to this set for its patrons.

Booklist impressively meets a quite formidable task - providing basic material on many subjects for the nonspecialist, student librarian.

Choice From age-old classics to the writings of today, The Readers Adviser, 14th Edition helps you and your patrons select and appreciate the worlds greatest books. This monumental work features: *hundreds of authors and thousands of works new to this edition, plus updated entries and revised material in every chapter *updated critical and biographical profiles reflecting the latest understanding and scholarship *more women writers and more culturally diverse writers from around the world *title, name, & subject indexes in every volume. Order the complete 6-volume set for only \$500.00--a savings of \$160.00 if you purchased each volume separately!
