

Bird and Butterfly: A Story Book for Children

Endorsed by the creator of Your Baby Can Read, Dr. Bob Titzer.--Read a storybook with your baby and toddler that completely separates the words from the pictures! -- Bird and Butterfly, the first in my series of storybooks for children, completely separates the text from the illustrations, which encourages beginning learners to focus on the simple words of the story before appreciating the pictures of the story's adventures. -- Look for The Kissing Tree by Gemma Stuart and Amanda Stanford, the second book in the series -Out Now! -- I hope your baby or toddler enjoys these lovely storybooks as much as mine did. --Dr. Stanford -- Please visit our official press website for more information about our projects and illustrators: www.reworkdpress.com
