

Comparison Of Government And Private Education Sector In Azad Kashmir: A Statistical Study About Government And Private Education Sector In District Kotli, Azad Kashmir, Pakistan

With the blessing of God this book is an effort to see the very important sector, the Private and Government education system in Azad Kashmir, Pakistan. This book is very useful for social researchers, government institutions and educational ministries for their future planning because education is the first priority of each country and each nation and education is highly correlated with institutions and institutions are divided in two categories and I have tried to compare these two categories, their achievements and drawbacks in my area Azad Kashmir, Pakistan. Also this book analyzed different factors that can significantly affect the educational system in this area. I had tried to analyze the real factors in education sector in Azad Kashmir.
