

The Iroquois: Or, the Bright Side of Indian Character (Classic Reprint)

Excerpt from The Iroquois: Or, the Bright Side of Indian Character Without their knowledge, I presume to dedicate my first volume of Indian History to those whose names I have heard most frequently, as friends of the red man. The title of the first indicates that he has been on the war-path, while the other belongs to the Society whose members are so eminently the missionaries of peace. The one was for many years conspicuous as a public man, and the other has been seen only in the most private walks, but they have been ever intimately associated in efforts for promoting the best interests of Indians of every name and race. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
